

CADILLAC
“CHOOSE YOUR EV”
CONQUEST CHALLENGE

INDIVIDUAL WALKAROUND COMPETITION RULES

CADILLAC “CHOOSE YOUR EV” CONQUEST CHALLENGE INDIVIDUAL WALKAROUND COMPETITION OVERVIEW & RULES

OVERVIEW

The Cadillac “Choose Your EV” Conquest Challenge (the “Contest”) is a video-based national walkaround competition for Cadillac-certified Sales Consultants at eligible dealerships. Participants will record short videos comparing a current Cadillac EV model of their choice to the designated competitive vehicle within a provided customer profile, demonstrating product knowledge, competitive positioning, and their ability to conquest EV buyers.

The Contest is designed to:

- Build EV product knowledge (including Super Cruise Driver Assistance Technology)
- Sharpen competitive differentiation versus key EV competitors
- Strengthening consultant communication skills

VIDEO REQUIREMENTS

Each video submission should cover the following topics:

- 1) Customer Profile Incorporated
- 2) Introducing Your Cadillac EV
- 3) High-level Positioning
- 4) Importance to Cadillac
- 5) Reasons for Purchase / Conquest Selling

For further details on these video submission topics, please see the section titled Content Guidelines on Pages 4-6 of this guide.

ELIGIBLE PARTICIPANTS

All Cadillac certified Sales Consultants at eligible dealerships (“Sales Consultants”) are eligible to participate and submit videos. Participants must be a U.S. resident and must remain employed as a Sales Consultant at an eligible U.S. Cadillac dealership until all prizes have been awarded in order to win. All Sales Consultants must receive prior approval from their Sales Manager or General Manager in order to participate. By submitting a video, each Sales Consultant certifies to Cadillac that it has the consent of the dealership to participate. See rules below for dealership eligibility.

There is no limit to the number of videos each Sales Consultant can upload during the submission period. However, each time a new video is uploaded it replaces the one before it, essentially swapping the original video for the newer one. Only the last video uploaded by each participant during the submission period will be judged.

Eligible video submissions can only feature one individual Sales Consultant presenting. Group Sales Consultant submissions are ineligible. Video submissions that feature any person other than the presenting Sales Consultant will be disqualified.

Participants will need to know their GMIN and BAC in order to access the site to submit their videos. Once your video is submitted and the upload is successful, you will receive a confirmation message on the screen.

CONTEST DATES

The Contest will run approximately June–August 2026 to determine Regional and National Finalists (collectively, the “Program Period”).

Cadillac will publish specific open/close dates for each phase on the Contest website. Those posted dates will govern the Contest and may differ from the target windows below:

- **June 18 – July 9, 2026:** Video submission period. All videos must be successfully uploaded no later than 11:59 p.m. local time on July 9, 2026
- **July 10 – 22, 2026:** Round 1 judging occurs to determine Regional Finalists
- **July 27 – 30, 2026:** Round 2 judging occurs to determine National Winners.
- **July 27 – 31, 2026:** Peer Choice Voting occurs to determine most popular video.
- **August 3, 2026:** Winners Announced

Cadillac reserves the right to change, modify, extend, or cancel the Contest, including Contest dates, at any time in its sole discretion.

VIDEO GUIDELINES

The following are additional video requirements and recommendations:

- Your video can be up to 6 minutes long
- Your video must be in the .mp4 or .mov file format and must be less than 500mb
- We recommend setting your video resolution to 720p, which helps reduce file size (and saves storage space on your device). Resolution can usually be adjusted in your camera settings menu
- Video submission requires the participant to agree to a release that allows Cadillac to use your video, name and image in future training materials
- Videos can include only one presenting Sales Consultant. Group Sales Consultant submissions will be ineligible. Only the presenting Sales Consultant can be featured in the video. There should be no other individuals in the video aside from the presenting Sales Consultant. Videos that include additional individuals will be ineligible
- **Do not use copyrighted material in your video.** Copyright is a form of protection given to the authors or creators of “original works of authorship,” including literary, dramatic, musical, artistic and other intellectual works. It is illegal to use copyrighted music without the explicit permission of the author. Videos with unpermitted copyrighted materials will be disqualified. Written permission must be obtained and provided upon request by Cadillac for all copywritten materials. The submitting Sales Consultant is solely responsible for obtaining all required third party consent and permissions, and agrees to hold Cadillac and General Motors LLC harmless for all third party claim related to submitted videos.
- Participants may upload as many videos as they want during the submission period; however, only the last video uploaded during the submission period will be eligible for judging
- For more video tips, see the Best Practices section on the Contest website.
- By uploading a video, participants agree to be bound by the Contest rules and decisions of the judges
- All videos must be submitted in English or include English subtitles

All questions regarding the Cadillac “Choose Your EV” Conquest Challenge should be submitted via to the contest support email address.

CONTEST WEBSITE

Visit the Contest website from any device with internet access. This link is also available from Cadillac Brand HQ on Global Connect. There, you can find links to web-based training courses, recommended challenges and quick reference guides. Also, refer to the contest selling points guide for product details and talking points for each Cadillac EV model to help you prepare and execute your walkaround video.

AWARDS

There are two levels of the Contest:

1. **Round 1** — Third-party judges from BI WORLDWIDE will evaluate all video submissions and select the best 5 qualified videos per region (25 total). Each Round 1 winner will move on to Round 2.
2. **Round 2** — Cadillac HQ judges will evaluate the Round 1 winners within their Regions and select the best qualified video (5 total). National Winners will earn the Grand Prize award while the remaining Regional Winners will earn 3575 XFuel Miles that are redeemable on the XFuel Marketplace within Xccelerate Hub of Global Connect for experiences like travel, hotel stays, entertainment and more.

The Grand Prize award includes a trip to the 2026 US Open for the winner and one (1) guest (the “US Open Package”).

The US Open Package is expected to include:

- Two (2) tickets to two (2) daytime sessions at the 2026 US Open with access to Arthur Ashe Stadium and Cadillac’s private hospitality suite.
- Hotel accommodation: One (1) room for a three-night stay at the Pendry West Manhattan (or comparable property selected by Cadillac).
- Transportation between the hotel and Arthur Ashe Stadium, and airport transfers (if included in final travel package design).

Note: All judges’ decisions are final.

Peer Choice Award: Another Chance for You to Win!

All Cadillac dealership personnel with a valid GMIN (“Dealership Personnel”) are invited to watch the 25 videos selected as the best at the Round 1 level and vote on their favorite via the program website.

The video with the highest number of votes wins the Peer Choice award.

- Everyone who participates in watching and voting for the Peer Choice winner may be entered into a random drawing for the chance to choose from a selection of premier merchandise (each selection valued at \$250).
- When viewing and rating the Round 2 winners, Cadillac Dealership Personnel can change their vote as many times as they want up to the deadline; however, only their final vote will be counted
- The participant who wins the Peer Choice Vote will choose from a selection of premium merchandise (valued at \$750).

Note: Grand Prize winners cannot also win the Peer Choice Vote.

CONTENT GUIDELINES

Each video should be creatively tailored as if you are presenting to a prospective EV customer who is interested in a current Cadillac EV vehicle that you have in stock at the dealership.

The individual profile of each prospective buyer is provided on the next page:

Customer Profile Incorporated

Customer: Jordan

INTERESTED IN A NEW OPTIQ & DRIVES A TESLA MODEL Y

Age: 39

Career: Senior product manager at a clean-energy software company

Marital status: Married, two young children

Household income: \$185,000

Hobbies: Weekend road trips and national parks, cycling, skiing, attending music festivals, tinkering with smart-home tech, and participating in local EV owner meetups

Customer: Maya

INTERESTED IN A NEW LYRIQ & DRIVES A TESLA MODEL Y

Age: 42

Career: Director of UX Design at a fintech startup

Marital status: Married, one teenager

Household income: \$210,000

Hobbies: Boutique fitness classes and Peloton, weekend wine-country getaways, urban photography, volunteering with local sustainability groups, browsing art galleries, and testing new in-car tech/driver-assistance features on road trips

Customer: Daniel

INTERESTED IN A NEW VISTIQ & DRIVES A TESLA MODEL X

Age: 48

Career: VP of Operations at a regional healthcare network

Marital status: Married, three kids (middle school through college)

Household income: \$285,000

Hobbies: Family ski trips and beach vacations, towing a small jet ski to the lake on weekends, golfing with colleagues, coaching youth soccer, following Formula 1 and endurance racing, experimenting with home energy/solar plus EV charging setups

Customer: Olivia

INTERESTED IN A NEW ESCALADE IQ OR IQL & DRIVES A RIVIAN R1S

Age: 46

Career: Chief Marketing Officer for a national retail/lifestyle brand

Marital status: Married, two kids (grade school and high school) plus a large dog

Household income: \$420,000

Hobbies: Hosting dinner parties and charity events, chauffeuring kids and friends to school and activities, long-weekend road trips to luxury resorts, skiing in Colorado, boating at the lake, following pro basketball and Formula 1, and curating high-end tech and design for her home

Introducing Your Cadillac EV

Participants should mention the following taglines for their vehicle of choice.

- **OPTIQ:** Move into EV Luxury
- **LYRIQ:** Electrifying Sophistication
- **VISTIQ:** Luxury for Your Life
- **ESCALADE IQ:** Longest Range of Any EV SUV (Cadillac-Estimated 465 Miles)
- **ESCALADE IQL:** Long Range 3-Row EV SUV (Cadillac-Estimated 460 Miles of Range)

High-level Positioning

Participants should mention the following for their Cadillac EV of choice.

- **OPTIQ** – Compact, attainable gateway to Cadillac EVs; 2-row.
- **LYRIQ** – Core midsize 2-row luxury EV SUV.
- **VISTIQ** – 3-row luxury EV; bridges LYRIQ and ESCALADE IQ.
- **ESCALADE IQ** – Standard-length full-size EV Escalade; flagship design and tech halo.
- **ESCALADE IQL** – Long-wheelbase full-size EV Escalade; maximized space and flagship rear-seat experience.

Importance to Cadillac

Participants should mention the following for their Cadillac EV of choice.

- **OPTIQ** – Cadillac's gateway to the EV lineup, aimed at bringing new and younger luxury buyers into the brand through spirited driving dynamics and global appeal.
- **LYRIQ** – Cadillac's core midsize luxury EV SUV, combining range, design and price in a way that wins EV intenders and traditional luxury buyers.
- **VISTIQ** – Cadillac's three-row luxury EV SUV slotted between LYRIQ and ESCALADE IQ that brings Escalade-like presence and technology to a more accessible, everyday family role in a key luxury SUV EV segment.
- **ESCALADE IQ / IQL** – Cadillac's flagship full-size all-electric SUVs, translating Escalade's status as an American luxury icon into the EV era; IQ/IQL sit at the top of Cadillac's EV SUV range as technology and design halos, showcasing ultra-long range, high performance, and elevated craftsmanship.

Reasons for Purchase / Conquest Selling

Participants should mention key standard and notable features, highlighting key selling points and Cadillac EV competitive advantages for their Cadillac EV of choice.

Videos will be judged on how effectively each presenter covers each of the Video Requirements noted above, and the following criteria:

- Professionalism
- Knowledge about the vehicle
- Competitive positioning
- Communication & delivery
- Overall presentation, originality and creativity

DEALERSHIP ELIGIBILITY

Sales Consultants must be employed by an eligible dealership, as determined below, at the time the awards are presented in order to win.

NEW DEALERSHIPS (NEW ADD POINTS)

New dealerships or add points with effective dates on or after July 6, 2026, will not be eligible to participate in this program.

DEALER CHANGE

In the event of a change in dealership ownership or management during the Program Period, it is solely the responsibility of the incoming/outgoing dealership owners or managers to make appropriate financial arrangements related to this program. General Motors will make payment or issue rewards to the authorized Dealer in place at the time the payment is made.

General Motors will not be responsible for any payment of any kind to any other person or entity. Dealerships must be active at the conclusion of the program for sales consultants to be eligible for rewards.

REALIGNING/ADDING/DELETING DIVISIONS

Except as provided below, (1) dealerships that enter into or terminate a GM Dealer Sales and Service Agreement to sell motor vehicles for any eligible GM Division during the Program Period are not eligible to participate in the program, and (2) dealerships that experience a realignment of eligible divisions, add any eligible divisions, or delete any eligible divisions during the Program Period will not be eligible. Dealerships may request an exception in these situations. GM shall determine, in its sole business discretion, whether any exception will be granted and what sales objective would apply. The Dealer Operator and an authorized GM representative must both consent to the exception in writing.

TAX

Liability for federal, state or other taxes imposed upon a reward is the sole responsibility of the reward winner, not General Motors. Program Headquarters will report all rewards to the relevant taxing authorities if appropriate. If applicable, a Form 1099 from General Motors will be issued to the reward winner's Social Security number at the end of the calendar year reflecting all rewards and gifts earned during that tax year.

CANCELLATION

In all matters relating to the interpretation and application of any of these Contest rules, the decision of Cadillac is final.

General Motors reserves the right to cancel, amend or revoke this Contest at any time in its sole discretion
